

Yearly Status Report - 2019-2020

Part A

Data of the Institution

1. Name of the Institution	SHRI VYANKATESH ARTS, COMMERCE AND SCIENCE COLLEGE DEULGAON RAJA, DIST. BULDANA, MAHARASHTRA
Name of the head of the Institution	Dr. Gajanan Bhaskarrao Jadhav
Designation	Principal
Does the Institution function from own campus	Yes
Phone no/Alternate Phone no.	07261231475
Mobile no.	9527212462
Registered Email	svcollege3@rediffmail.com
Alternate Email	svacc309@sgbau.ac.in
Address	Jafrabad Road
City/Town	Deulgaon Raja
State/UT	Maharashtra
Pincode	443204

2. Institutional Status	
Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Rural
Financial Status	Self financed and grant-in-aid
Name of the IQAC co-ordinator/Director	Dr. Sudhir .D.Chavan
Phone no/Alternate Phone no.	07261231263
Mobile no.	9423760847
Registered Email	mrsudhirchavan@rediffmail.com
Alternate Email	drsudhirchavan@rediffmail.com

3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	http://svcdraja.org/forms/IOAC/AOAR.aspx
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	http://svcdraja.org/forms/Academic/aCalendar.aspx

5. Accrediation Details					
Cycle	Grade	CGPA	Year of Accrediation	Validity	
				Period From	Period To
1	B	71	2004	01-Feb-2004	28-Feb-2011

14. Whether AQAR was placed before statutory body ?	Yes
--	-----

Name of Statutory Body	Meeting Date
CDC	08-Aug-2020

15. Whether NAAC/or any other accredited body(s) visited IQAC or interacted with it to assess the functioning ?	No
--	----

16. Whether institutional data submitted to AISHE:	Yes
---	-----

Year of Submission	2019
--------------------	------

Date of Submission	30-Sep-2019
--------------------	-------------

17. Does the Institution have Management Information System ?	Yes
--	-----

If yes, give a brief description and a list of modules currently operational (maximum 500 words)	As per the government of Maharashtra rule the information of the college is filled online in the management information system profile. The information is filled as and when it is asked by the government. The information filled on the portal is thus analysed by IQAC and the management and the same is used for decision making with reference to the development of the institution. It is used to analyse how the functioning of the college is going on. The pros and cons of the institution are thus discussed in the meetings and efforts
--	--

are always done to rectify the errors, to rule out the deficiencies and to enhance the more positive sides. It also helps the institution to find the strength and weakness of the institution. The data provided for MIS is also used for self introspection with respect the courses in the colleges, number of students, number of teachers, the infrastructural facilities existed and to be increased. It also helps to keep an eye on the expenditure as far as the ability of the institution is concerned. It also helps for the allocation of the annual budget. The information is also shared with the teaching and the nonteaching staff in terms of the management of the various activities in the college. This information is also used to bring reforms in the general administration of the college and total quality management of the institution.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The IQAC asks the teachers to prepare their plan in an academic diary. They are also provided with academic calendar in the beginning of the session and are asked to make their teaching and evaluation plan as per the academic calendar. The IQAC frequently conducts the meeting to review the teaching learning process, in this meeting the academic diaries are checked and students' attendance is also checked. More use of ICT tools is suggested to the teachers by preparing a systematic time table of it. Students' participation in teaching and learning activity is stressed on Students are given project. The methods like role playing, power point presentation, e-learning softwares, digital classrooms for internet and other web based activities are used for effective curriculum delivery. Students are given hands on training of apparatus, tools, computers and other ICT tools. Subject related charts are prepared and question banks for each subjects are prepared. The record of the same is kept by each teacher and is provided to see in the meeting of IQAC. Video lectures are also shown to the students with the help of You Tube Videos, besides video conferencing is also organized of some eminent lectures. All teachers have provided blogs with respect to their Subjects and the link of the same is provided to the students where he can see the subject related activities. The Edmodo Application is also used for the effective delivery curriculum. The Science faculty teachers use the virtual labs. Besides the educational websites are also referred by all teachers. Students are provided with the e-books and e-notes. This year due to outbreak of Covid 19 during the Lockdown period from 18th March to 31st May 2020 the teachers used the online teaching mode for teaching and learning purpose by using Zoom app, and Google Classroom app, testmoz app, Google Classroom app, What App and Departmental blogs.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

Certificate	Diploma Courses	Dates of Introduction	Duration	Focus on employ ability/entrepreneurship	Skill Development
1) Human Values and Professional Ethics.	Nil	01/08/2019	90	To teach them the importance of human values and professional ethics.	Skills of behaving cordially with the people and follow the professional ethics
2) Gender Equity.	Nil	01/09/2019	90	To create the feeling of equality amongst them while working	Skill of dealing with the women with the feeling of equality
3) Communication Skills in English.	Nil	01/09/2019	90	In every field English Communication is necessary.	Skills of communication in English.
4) Soft Skill Development	Nil	01/08/2019	90	To make them able for any kind of employment or entrepreneurship.	Skills like communication, leadership, taking decision, dealing with the situation etc.
5) Environmental Studies	Nil	01/09/2019	90	To make them aware about environment issues.	To develop the skills of environment conservation

1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the academic year

Programme/Course	Programme Specialization	Dates of Introduction
BA	NA	Nil
No file uploaded.		

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year.

Name of programmes adopting CBCS	Programme Specialization	Date of implementation of CBCS/Elective Course System
BA	NA	Nil

1.2.3 – Students enrolled in Certificate/ Diploma Courses introduced during the year

	Certificate	Diploma Course
Number of Students	225	50

1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

Value Added Courses	Date of Introduction	Number of Students Enrolled
1) Communication Skills in English.	01/09/2019	25
2) Certificate Course in Human Values.	01/08/2019	50
3) Certificate Course in Gender Equity	01/09/2019	50
4) Certificate Course in Environmental Studies.	01/09/2019	50
5) Soft Skill Development	01/08/2019	50

1.3.2 – Field Projects / Internships under taken during the year

Project/Programme Title	Programme Specialization	No. of students enrolled for Field Projects / Internships
BCom	ACCOUNTING AND AUDITING	25
No file uploaded.		

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The feedback collected from each stake holders are analysed by using the statistical method for every response in the feedback form. The positive and negative responses are counted. On the basis of this data the analysis is done. The analysis is uploaded on the institutional website and is also communicated with the teachers as well as with the management. The subject teachers as well as the concerned teachers are informed about the necessary improvement if any found in the feedback. The suggestions given by the stakeholders are also taken into consideration seriously and are forwarded to the concerned authority for further implementation. Regular follow up of the action taken on the feedback is always taken by the IQAC. The positive or good/excellent remarks or responses are also shared with the teachers and are felicitated on this issue. They are inspired more to work hard and to give best performance. The suggestions made for the development of the campus or any other infrastructural facilities of the college are strictly observed and changes are made accordingly subject to the permission of the management as well as availability</p>

of funds. The stakeholders are communicated after the implementation of their suggestion.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.1.1 – Demand Ratio during the year

Name of the Programme	Programme Specialization	Number of seats available	Number of Application received	Students Enrolled
BVoc	Construction Technology	100	60	60
BVoc	Agricultural Science	100	95	95
MCom	M.Com.	180	70	70
MA	Marathi	160	21	21
MA	English	160	12	12
BSc	B.Sc.	516	352	352
BCom	B.COM	360	132	132
BA	B.A.	480	254	254

[View Uploaded File](#)

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2019	738	130	30	0	7

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Tools and resources available	Number of ICT enabled Classrooms	Number of smart classrooms	E-resources and techniques used
40	40	9	5	1	7

[View File of ICT Tools and resources](#)

[View File of E-resources and techniques used](#)

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

The students have been divided with the batch of 20 per teacher. Every teacher mentors at least two batches of twenty students each. In this system the teacher mentor is always in contact with these students in and outside the classroom with respect to their difficulty in and outside the college premises. The doubts regarding the syllabus are usually discussed with these students by every teacher as per the time table prescribed for them. The time table in this regard is also prepared for the convenience of the teachers and the students. If found urgent the student is entertained apart from his regular time table. They are entertained during 1 P.M. to 2 P.M. by every teacher with respect to their academic difficulties. Besides if the student has any personal problems and if he wishes to share it with the teacher, he is helped by the teacher mentor. Sometimes it becomes necessary to

visit his family members to meet out the problems hence the teacher mentor visits his/her parents and family members to discuss the same with them. This system is found more useful in terms of girl students as it is found useful to talk to the parents of girls who very often threaten their daughters to stop the education for minor reasons. Besides the teacher mentor is always ready to provide financial assistance to the students if found necessary and feasible to help him/her. The students are guided about their careers along with their ethics and discipline in the campus. The teacher mentor puts the problems of the students before all teachers or the Principal or management taking into consideration the nature of the problem of the students. The teacher mentor very often inspires the students for his/her every development and tries to make him/her safe and healthy in the college premises. The teacher mentor makes the counselling of the students at every level. He is helped at the psychological level to make them able to face the situation. They are always boosted for their excellent activities and are given some reward for their success in their respective fields. This has really helped to create a good rapport between the teacher and the student. This has also created a feeling of affinity in the mind of the students about the institution where they have been taking their higher education. As a result they naturally pass on the same information to their successors with respect to the admissions in the college.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
868	30	1:29

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

No. of sanctioned positions	No. of filled positions	Vacant positions	Positions filled during the current year	No. of faculty with Ph.D
18	11	7	9	19

2.4.2 – Honours and recognition received by teachers (received awards, recognition, fellowships at State, National, International level from Government, recognised bodies during the year)

Year of Award	Name of full time teachers receiving awards from state level, national level, international level	Designation	Name of the award, fellowship, received from Government or recognized bodies
2019	NIL	Nill	NIL
No file uploaded.			

2.5 – Evaluation Process and Reforms

2.5.1 – Number of days from the date of semester-end/ year- end examination till the declaration of results during the year

Programme Name	Programme Code	Semester/ year	Last date of the last semester-end/ year-end examination	Date of declaration of results of semester-end/ year- end examination
BVoc	Nill	IV	31/03/2019	20/07/2019
MCom	Nill	IV	30/04/2019	18/07/2019
MA	Nill	IV	30/04/2019	13/07/2019
MA	Nill	IV	30/04/2019	22/07/2019
BSc	Nill	VI	31/03/2019	08/07/2019
BCom	Nill	VI	31/03/2019	24/07/2019
BA	Nill	VI	31/03/2019	19/07/2019
View Uploaded File				

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The college has to follow the Examination and Evaluation methods of university

like semester/annual examination and practical examination. The university has introduced the Semester for the first and second year of B.A. B.Com. The examinations of these classes, along with B.Sc. are conducted by the college as per the directions of the university. Besides the university internal evaluation, we conducted the tests, seminars, quiz competitions and group discussions and interactive sessions with the students. The absent students' parents are communicated for their ward's absentee. The facility of revaluation of answer sheets in examination or demanding Xerox copies of the answer books is also available at college as well as university level examinations and students are helped to fill the forms and are advised regarding sending the forms to the university. Online service is also available at the University portal. For all Classes the University provides the online question papers to the examination centres. The multiple choice questions are included in each subject for sixteen marks. Students are given the old question papers to solve and their answer sheets are checked by the concerned teachers and they are intimated their strengths and weaknesses.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

In the beginning of the session the Academic Calendar is prepared by IQAC as per the calendar given by the University. In this calendar the details are given about the semesters, winter and summer vacations, holidays, total working days and total teaching days to be maintained by every teacher. In this calendar the dates for examination are also mentioned. The IQAC provides the teachers with the tentative dates for the evaluation of the students. The teachers are asked to prepare their academic diaries as per the academic calendar and the same are checked in the meetings of IQAC. The Academic Calendar also consists of the days and dates of the extra curricular activities to be undertaken by every teacher and department. The academic calendar is useful for teachers to plan their academic activities. It is mandatory for every teacher to adhere to the academic calendar for their curricular and extra-curricular activities. The academic calendar helps the teachers to plan the teaching as per the days available in each semester. It also helps them to plan extra lecture if necessary. The teachers regularly follow the academic calendar for the organization of cultural events in the college. The calendar helps the teaches to divide their curriculum month wise and day wise and can take the review of their teaching. The examinations and regular evaluation methods are strictly organized as per the academic calendar.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

<http://svcdraja.org/forms/Academic/LearnOut.aspx>

2.6.2 – Pass percentage of students

Programme Code	Programme Name	Programme Specialization	Number of students appeared in the final year examination	Number of students passed in final year examination	Pass Percentage
NA	BA	B.A.	84	57	67.86
NA	BCom	B.Com.	49	26	53.06
NA	BSc	B.Sc.	123	105	85.37

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

To maintain and utilize the physical, academic and support facilities we have formed the different committees to bring transparency as well as to decentralize the administration. We have a stock verification committee which keeps records of all the facilities available in the campus as well in each department. The responsibility of maintenance as well as utilization is of the concerned departments to whom the equipments are provided. Each department is having its own stock register in which the items in his /their possessions are verified by the head of the particular department. We have a separate repairing and maintenance committee. The equipments or facilities which are under repair are brought in to the notice of the repairing committee which calls the particular mechanic and the items are repaired. The report of the same is given to the Principal along with the bills to be sanctioned from him for repairing and maintaining. At the beginning and end of every session the stock verification committee verifies stock. The damage, loss or right off is also mentioned in the register. This process helps us to keep all facilities in working conditions, if any equipment is not functioning or is under repair is soon shown the concerned mechanic and get it repaired so that it is saved from going to the scrap. The responsibility of laboratory equipment is of the head of the particular department who keeps the update record of his laboratory in the stock register as well as in his log book. The librarian, physical education teacher are responsible for the equipments and facilities in their respective department. The heads of the particular department circulate the notices amongst the staff as well as the students for the utilization of the facilities in the campus. They also keep the record of its users in their register. The students are regularly made aware of the facilities available for them by the concerned teachers. The ICT based classrooms are used as per the time table prepared by the teacher in charge. The teachers follow the time table to conduct the lectures in the said halls.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The Students Council actively participated in all academic, curricular, co-curricular and extra-curricular activities organized in the college. The students' council organized a 'Teachers' Day' function on 5th September in which the teachers were felicitated by the students. In the same function a teacher was interviewed by the students regarding his achievement. A guest lecture of a District Level Ideal Teacher Award winner was also organized to inspire the teachers and the students. The students' council met very often during the year for the organization of different activities in the college. The students' council cooperate to maintain the discipline and to keep the college campus amicable and also worked as the volunteers in many activities. Students are given representation on the various committees formed for the internal administration of the college viz. IQAC, NSS, NCC, Students Council, Students Grievance Redressal Cell, Internal Complaints Committee for women, Anti Ragging Committee, College Programme and Cultural Committee, Sports Committee, College Annual Magazine Committee etc. During the regular meetings of the above committees the students were invited to attend the meetings and their opinions were also taken in to consideration with respect to the activities to be undertaken by each committee. The students were being involved in the maximum activities organized in the college during the year. They are supposed to be the role models for the students so far as their conduct is concerned.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Yes, the college is having registered alumni with Registration No. Buldana/0000144/2018. The alumni is having nine officer bearers along with other as members. The alumni is having the following objectives • To keep a roster of all Alumni of college and their pertinent data. • To maintain the updated and current information of all alumni. • To encourage, foster and

promote close relation among the alumni themselves. • To provide a forum for the alumni for exchange of ideas on Academic, Cultural and Social issues of the day by organizing and coordinating reunion activities of the alumni. • To undertake various educational and social activities with the joint efforts of Shri Vyankatesh college and the alumni. • To inculcate the feeling of fraternity and communal harmony amongst the former students of the college and to enhance the development status of society with the active participation of the alumni. • To encourage the former students for entrepreneurships with the technical and other facilities available with the college and the alumni. • To create quality in the field of higher education with the active participation of the alumni. • To create and maintain healthy relationships with the various industries and to utilize these relationships for the betterment of former as well as present students. • To assist and support the efforts of Shri Vyankatesh College in obtaining the funds for development. • To create small scale business and industries for the creation of employment and development of campus and to erect the capital for the same. • To organize symposiums and meets with the active participation of the alumni and to contribute for the development of the higher education. • To establish incubation center and entrepreneurship cell through the alumni. • To mobilize financial resources for the mobility of various activities in compliance with the objectives of association. Along with the above objective the alumni regularly meet and contribute their views for the development of the college. They very often provide their feedback on the various aspects of development. They are also invited by IQAC for meeting to seek their guidance for policy making. This year hundred students have enrolled their name in the alumni and contributed 118000 for the development of the college. The college always appreciates their contribution by organizing function for them at the end of the session. In the meeting of alumni they are felicitated and they are given the detailed information about the activities going on in the college as well as details about the achievement of the students and college is also make known to them. They are shown the physical as well as the academic facility available to the students in the college. This year the alumni have decided to contribute financially to purchase an RO plant for the availability of pure water in the complete campus. The alumni have created their What App group on which they share their ideas with respect to the college the secretary of the association is Dr. V.R.Bansile who

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The college has formed fifty committees for the internal administration of the college as well as for the decentralization of the work. To mention the two practices of decentralization and participative management of the institution one of them can be mentioned as 'Local Admission Committee'. In this committee all teachers are involved. There is a chief/coordinator of this committee who mentors the entire process of the committee. This committee runs for about

three months viz. June, July and August. Under this committee in the beginning of the session the committee members visit the nearby villages and state the importance of higher education to the people in rural area especially about the girls' education. While stating the importance of higher education they are also told the career options available for their wards after higher education. While making the round of the villages one group of teachers is always present in the college till morning to evening to help the students and parents coming to the college to seek information or admission in the college. The local admission committee helps the student to choose the faculty or subject. They are told the prospects of these subjects for their future. Besides they are also guided about the competitive examinations. This committee checks the admission forms of the students and guide them about any discrepancy. Daily report of the same is kept about how many students checked their form of the particular classes. In the evening the daily committee submits the report to the Principal by which the Principal get the idea about the admitted students. This committee helps especially to the scholarship holder student to accumulate the relevant documents so that he should not be deprived of the scholarship. The teacher in charge daily submits the report of the admission committee to the Principal about the villages visits of the teachers as well as the admission process in the college. As it may be hectic to the Principal to entertain the entire students during the admission process or the students don't dare to see directly to the Principal regarding their queries the teachers in charge of the local admission committee helps the students regarding their queries about admissions. This practice has really helped a lot for the smooth administration of the college. While describing the another practice of decentralization it can be mentioned as 'Building and Construction Committee and Purchasing Committee'. There are various types of construction going on in the college since last few years. Many time it is not possible for the Principal always due to his busy schedule to pay attention to the building and construction sites the Principal has given the rights to this committee to mentor this process of construction. Before that the meeting of this committee is held with the Principal and the Principal with the unanimous decision taken in the committee undertake the construction/ renovation work going on in the college. Every newly added items in the college is discussed with the concerned committee. Moreover if

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Teaching and Learning	For teaching and learning, teachers are always encouraged to use ICT. They are made available various types of equipments viz. projector, CD/DVDs, ICT Classrooms etc. A separate time table is also prepared for the use of digital classroom having the internet facilities so that it can be availed by each teacher. Reference books and text books for all subjects as per the syllabus are purchased. Teachers are allowed to organize guest lectures under their departments. Teachers are inspired to attend the refresher and orientation courses. They are also

encouraged to undergo the online courses organized by MOOCS/SWAYAM. Teachers are allowed and permitted to attend the seminars/conferences on Pedagogy. The college has also organized a University level workshop on Pedagogical Techniques and Microteaching for the teachers in the jurisdiction of SGBAU Amravati. The teacher who attended the courses on innovative teaching methods is asked to conduct the workshop for the faculty in the college. The teachers are asked to prepare their e-content and blogs for the convenience of the students. Remedial classes are asked to conduct for the slow as well as advanced learners. Teachers are also advised to start the bridge courses for the newcomers. Funds have been provided for co-curricular activities organized for the teaching and learning purposes.

Examination and Evaluation

The college follow the pattern for examination as suggested by the SGBAU Amravati. Since there is a semester system for all faculties there are two examinations during the year. Besides to give more practice to the students the college organized the periodic tests under each subject for the students. The institution asked to organize seminars, group discussions and quiz contest for the students. The teachers are advised to bring into the notice of the students their strengths and weakness with respect to their learning. The students are examined during their seminars, group discussions and quiz contest and are guided accordingly. The institution has made available adequate stationary for the examination and evaluation of the students. Mock interviews of the students are also asked to conduct. The institution has provided adequate halls for examination along with the basic facilities. The marks of the tests of the students are displayed in the showcase of the college. Students are frequently encouraged for the examinations by conducting a workshop before actual examinations. In this workshop they are guided on the methods of solving the question paper, writing skill and time management. The students are given quiz on the blogs of the departments. Due to the outbreak of Covid 19 the College is following the

instructions given by SGBAU Amravati time to time regarding the examinations of the students.

Research and Development

The institution encourages the 'Motivation Cell for Research' established in the college to promote the research culture amongst the teachers and the students. The institution allocated special budgets for the activities to be conducted like workshops, seminars and research competitions during the year. The institution encouraged the teacher to attend the national and international level seminars and conferences and to submit their papers therein. The institution also encouraged the teachers to organize the Power Point Presentation and Poster Presentation Competition for the students at state level. The institution encouraged for the incubation centre and the activities thereof. The funds were also sanctioned by the institution to purchase new books for the library with respect to the research. The institution encouraged to organize a workshop on 'Intellectual Property Rights' in the college. The institution encouraged the teachers to publish their research papers in National and International level journals and to publish their books. The teachers and the students outshining in the research activities are felicitated by the institution. The institution gave the letters of appreciation to such teachers and students. There are five research guides and research centres in the college with the support of the institution and eleven students are pursuing Ph.D. under these centres. These centres run the Pre Ph.D. course for the research students in the college which is encouraged by the institution and the necessary facilities are also provided for research by the institution.

Library, ICT and Physical Infrastructure / Instrumentation

The institution allocated adequate budget for the development of library, ICT facilities as well as physical infrastructure in the college. During this year with the permission and support of the institution the new library building of 5500 sq.ft. is constructed and very soon the old library is going to be shifted in the

new library building which comprises new and big separate reading room for the girls taking into consideration the growing number of students in the college especially girls. This building will also comprise of more computers for students for their research purpose and it is equipped with CC TV cameras for the security and discipline purpose. It has also a separate reading room for teachers and boys with ample facilities. In the library more books for all subjects are also purchased as per the demand of the teachers. The institution also purchased more ICT equipments for teaching and learning activities. The website of the college is newly prepared taking into consideration the requirement of the college with respect to the modern times. The institution has prepared its website comprising all types of information and as per the requirement of the NAAC. The institution has constructed the well equipped auditorium of 5000 sq. ft. With ICT equipments and acoustic treatment. The institution has also renovated the seminar hall of the college with acoustic treatment and ICT tools. The institution has completed the work of wall compound around the college building within thirteen acres. The institution has renovated the premises of the college.

Human Resource Management

The institution is quite careful in human resource management. While working on this issue the institution stressed on the decentralization of work. Maximum work is distributed amongst the teachers and is monitored by the Principal. The various committees are formed to work for different activities. The teachers are allotted the responsibilities of the particular work and they are asked to submit the report thereon. This has helped for the smooth functioning of the college work. The deficit of the teaching faculty is solved by appointing the teachers on clock hour basis. The labours are also frequently hired for the maintenance of the campus. The teachers are allotted the responsibilities avoiding the overtaxing of the work. The non teaching staff is supported by the contractual workers if necessary. The

deficit caused by the superannuation of the employees is also solved by appointing the persons on the contractual basis by the institution. The teachers are allotted the responsibilities taking into consideration their efficiency in the given work and their interest. The teaching and nonteaching staff is sent to attend the training and the institution also organized training for the staff at the institutional level. Various welfare schemes are also provided for the staff. The periods of the absent teachers are conducted by other subject teachers during his/her absentia. Two teachers are nominated as an in charge Principal in absentia of Principal.

Industry Interaction / Collaboration

? Industry Interaction / Collaboration The institution has always encouraged the teaching for industry interaction and collaborations with different industries and institutions. The institution has helped to make MOUs with different institutes and industries. The institute had a talk to the top officials of the companies/institutes with respect to the collaboration and linkages. The institute has provided adequate financial support for the said activities. An active MOU for three and five years is made with the institutions and companies for various purposes like internships, field visits, faculty and students exchange and guest lectures. The institute had been quite positive in developing relations with the companies and other educational institutes for the academic purposes. There are six active MOUs made during the year with active support of the institution.

Admission of Students

The institution had been quite careful about the admission of the students. The admissions are given on the first come first serve basis. The norms of the category are also observed while giving the admissions. The institution has formed two separate committees with respect to the admission of the students. The committee entitled 'Motivation for Higher Education to students' works for the campaign of the higher education amongst the students particularly in

rural area especially to arouse the interest about higher education in the minds of the parents of the girls. They are given information about the courses available in the college along with the personal counselling. The second committee entitled ' Local Admission Committee' is divided amongst all teachers which works daily soon after the session is started. This committee guides the students for the courses and subjects and about their scholarship forms. Personal counselling is also done by this committee. A team of two teachers works every day since 10.30 A.M. to 4.30 P.M. in the evening for the counselling of the students. The needy students' admission fees is waived off by the institution. The institution is very careful about the scholarship of the students as they are helped to fill the scholarship forms through online mode in the college. Care is always taken that no student should be left from scholarship, hence they are very often contacted to fulfil the required formalities of the scholarship forms. The institution charged minimum fees of Rs. Three Hundred only at the time of admission which did not seem a burden to the students while seeking admission in the college.

Curriculum Development

The college has started the B.Voc. Programme since the current year. The curriculum of this programme is prepared by the Board of Studies formed by the college of the expertise related to the courses run under this programme. The college has also started the bridge course for all subjects and the syllabus of the same is also prepared by the concerned teachers. The syllabus for the short terms courses run by the college is also prepared by the college with the help of the expertise. However the syllabus which is taught for the Arts, Commerce and Science faculty is prepared by the Board of Studies formed in University. Our Principal had been the chairman of board of studies in Marathi, hence he participated in the process of curriculum development as a Chairman of the Board of Studies in Marathi for the undergraduate classes as well as for PG. classes. The rest of the teachers suggested the reforms in the syllabus

of their respective departments by sending the suggestions to the Chairman of the Board of Studies in their respective subject through the Principal of our college. The syllabus for the value added courses is also prepared by the college.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
<p>Planning and Development</p>	<p>The institution in the very beginning of the session prepares its development plan and the same is put in the meeting of the management and the staff. The institution has its update website through which the planning and the development are well intimated to the stakeholders. The institution has formed the various committees for the development of the college. They are asked to maintain their minutes of the meeting held during the year. The Principal prepares the draft of the work to be done during the year and the same is sanctioned from the Hon. Chairman. The correspondence in this regard is always done through an email. Hon. Chairman is very frequently informed about the development going on in the college through email.</p>
<p>Administration</p>	<p>The administration has become convenient due to the installation of the CCTV Cameras in every corner of the college campus. The footages of the cameras are checked if necessary. The institution has formed the Whats App group of the employees through which the notices and circulars are posted. The notices are also posted on the website of the college and students are insisted to be in touch with the college website for latest notifications. The emergency information is also sent through messages to the students on their mobile phones. The teachers are also sent the information or the concerned letters on their emails by the Principal or the office.</p>
<p>Finance and Accounts</p>	<p>All finance and accounts are maintained with the help of computer. Paperless method is adopted in accounts and finance. The software like Tally is used for accounting. Amount is also sent with the facility of NEFT or RTGS to concerned authority whenever necessary. All salary and non-salary</p>

accounts are maintained in an online mode. The remuneration of the teachers for various purposes is also deposited by online transfer. The annual audit is also maintained through computers. The salary bills are also submitted online with the help of sevarth system.

Student Admission and Support

The admissions of the students are done on the first come first serve basis by observing the rules of category. The prospectus of the college is also available on the website of the college. The Prospectus comprises of all rules and regulations with respect to the admissions of the students. The admissions are made with the help of soft ware, office automation. The students are given computerised bona fide certificates as well as transfer certificates. The daily report of the admission is generated online for the information of Principal. The computers in the office are connected with LAN for the convenience of all clerks. The information of the students can be viewed at any counter. Besides the scholarship forms of the students are filled online in the college. Their information is furnished by the online process. The students are supported financially for the admissions by waiving off their fees if they are proved financially weak. They are also provided other facilities at free of cost. Due to the outbreak of Covid 19 the college is following the norms of admissions given by UGC as well as SGBAU Amravati time to time with respect to the admissions and admission fees.

Examination

The examinations are conducted as per the pattern decided by SGBAU Amravati. There was a semester system for all classes excluding B.A.III and B.Com. III year this year. The institution has provided adequate infrastructural facilities for the conduction of examinations. The institution has provided a separate room for examination section comprising the facility of strong room for questions papers, Xerox machine for printing the question papers as the question papers are sent online by the university 45 minutes before the commencement of papers. The institution has also provided separate generator in case of

power failure. The institution has provided two separate PCs with the necessary soft ware with the high speed internet connection facilities. At the time of Home Examinations the institution has provided separate room for valuations of papers. The institution has also provided other equipments like cupboards, racks, tables, chairs etc. at the adequate level to conduct the examinations. The grievances of the students are instantly solved by helping them to fill online their applications. The institution has nominated a coordinator for this purpose. The students are sent messages on their mobile phones regarding the updates of the examinations like filling of the examination forms, last dates, examination fees etc. Due to the outbreak of Covid 19 the College is following the instructions given by SGBAU Amravati time to time regarding the examinations of the students.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

Year	Name of Teacher	Name of conference/ workshop attended for which financial support provided	Name of the professional body for which membership fee is provided	Amount of support
2019	NIL	NIL	NIL	Nil
No file uploaded.				

6.3.2 – Number of professional development / administrative training programmes organized by the College for teaching and non teaching staff during the year

Year	Title of the professional development programme organised for teaching staff	Title of the administrative training programme organised for non-teaching staff	From date	To Date	Number of participants (Teaching staff)	Number of participants (non-teaching staff)
2019	1) Induction Programme for Newly Recruited Staff	1) Digital Literacy	17/12/2019	17/12/2019	11	14

6.3.4 – Faculty and Staff recruitment (no. for permanent recruitment):

Teaching		Non-teaching	
Permanent	Full Time	Permanent	Full Time
11	11	0	0

6.3.5 – Welfare schemes for

Teaching	Non-teaching	Students
1) Cooperative credit Society 2) Group Insurance 3) Best Teacher award 4) First Aid 5) Health check up camp 6) Ambulance Service 7) Emergency Blood Supply 8) Medical Reimbursement claim	1) Cooperative credit Society 2) Group Insurance 3) Best Teacher award 4) First Aid 5) Health check up camp 6) Ambulance Service 7) Emergency Blood Supply 8) Medical Reimbursement claim	1) Students' Aid Fund 2) Students' insurance 3) Scholarships, free ships, 4) EBC, PTC concessions. 5) Health check up camp 6) Earn and learn scheme 7) Students facility centre 8) Cash prizes to meritorious students 9) Best library user award 10) Emergency blood supply 11) Ambulance Service 12) Rs. 5000/- to gold medallist by the concerned subject teacher 13) NSS 14) NCC

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The institution has formed the separate committee for financial audits. The internal audit is checked by the internal audit committee comprising the teachers of commerce faculty. They check the audit twice in a year. They check the cashbooks, ledgers and vouchers as well as the budget allocation. The discrepancies if any are soon brought into the notice of the superintendent and the Principal and the corrections are made accordingly. Suggestions are also given to the superintendent with respect to the audit. The stock books are also verified at the time of internal audit. When the internal audit committee is satisfied with the financial audit prepared by the office it is sent for the external audit to the chartered accountant. The errors, found by the auditor are soon rectified. The audit is also kept in the meeting of the management and gets it sanctioned from the officer bearers.

6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

Name of the non government funding agencies /individuals	Funds/ Grnats received in Rs.	Purpose
Management	1295984	Equipment, Auditorium, Botanical Garden, Books, e books and journals, Newspapers

6.4.3 – Total corpus fund generated

5640

6.5 – Internal Quality Assurance System

6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	No	Nil	Yes	IQAC
Administrative	No	Khushal Golani Co. Ltd	Yes	Internal Audit Committee

6.5.2 – Activities and support from the Parent – Teacher Association (at least three)

• A meeting is conducted of parents by IQAC and they are communicated the latest development of the college along with the additional facilities introduced this year like the ongoing construction of an auditorium of 5000 sq. Ft., the wall compound and the sports facilities added this year etc. • The results of their wards were also communicated to the parents. • They were requested to pay attention to the progress as well as study of their wards. • They were also advised to communicate with their children with respect to the college activities. • Parents were also informed about the opportunities of higher education for their wards after completing education from this institution. • They were requested to continue the education of their girls after completion of their graduation. • Their feedbacks are also taken and the suggestions made by them are considered for college development. They are pleased to see the various infrastructural development of the college.

6.5.3 – Development programmes for support staff (at least three)

1) The Workshop for Nonteaching staff on digital literacy was organized. 2) Workshop for nonteaching staff on new Scholarship Portal was organized. 3) Workshop for nonteaching staff on online examination records entry was organized. 4) Workshop for nonteaching staff on 'Ethical Hacking' was organized.

6.5.4 – Post Accreditation initiative(s) (mention at least three)

1) The faculty has published about 280 research papers in Peer Reviewed and Impact Factor and UGC listed journals during last five years. 2) Nine teachers have published their books. 3) Nineteen teachers are Ph. D. Holders. 4) Six teachers have been awarded supervisor-ship of Ph.D. by SGBAU Amravati. 5) The college has constructed a well furnished auditorium and a well furnished library taking into consideration the growing strength of the students. 6) The college has been sanctioned the B.Voc. programme under UGC for Agricultural Science and Construction Technology degree. 7) The college has started bridge courses and certificate courses for various subjects. 8) The college has started various skill based courses since 2018. 9) The college is awarded the State Level and University Level 'Environment Award'. 10) The college is awarded 'Swachha Bharat Abhiyan' award consecutively for four times by SGBAU Amravati. 11) The college has been sanctioned five research centres of M.Phil. and Ph.D. 12) The college is awarded with the 'Best NSS Unit' and 'Best NSS Programme Officer' awards at University and State Level. 13) The college organized six national level seminars and conferences under different departments. 14) All departments have made their MOUs with different institutions, industries and departments of the universities. 15) The college is engulfed with a huge wall compound for the campus of 13 acres. 16) The cadets of NCC and the volunteers of NSS have participated at the State and the National events like Thal Sena Camp, RDC Parade at New Delhi. 17) The college has been preparing the nursery of ten thousand plants every year since last three years and has been donating the plants at free of cost to the various government and non government institutions, and schools and colleges in and around the town. 18) The college has updated its website in compliance with the new accreditation framework of NAAC. 19) The college is entirely secured with CC TV cameras. 20) Maximum classes are equipped with ICT equipments. 21) The college has installed an RO plant for the drinking water facility for students donated by the alumni. 22) Fifty students joined the online SWAYAM online courses. 23) All teachers have developed their e-content and posted the same on their departmental blogs. 24) Maximum teachers have attended faculty development programme. 25) Teachers are regularly attending the Orientation, Refresher and Short Terms Courses. 26) Nineteen full time teachers have been recruited during last five years. 27) Four non teaching employees have been

recruited during last five years.

6.5.5 – Internal Quality Assurance System Details

a) Submission of Data for AISHE portal	Yes
b) Participation in NIRF	Yes
c) ISO certification	Yes
d) NBA or any other quality audit	No

6.5.6 – Number of Quality Initiatives undertaken during the year

Year	Name of quality initiative by IQAC	Date of conducting IQAC	Duration From	Duration To	Number of participants
2019	1) The IQAC organized National Level Workshop on the Process of Filling and Submitting Online AQAR sponsored by NAAC.	27/12/2019	27/12/2019	27/12/2019	100
2019	2) The IQAC organized an Induction Programme for Newly Recruited Staff	17/12/2019	17/12/2019	17/12/2019	11
2019	3) The IQAC initiated for the organization of workshop on Self Help Group and Socio-Economic Empowerment of Women: Opportunities, Issues and Challenges sponsored by ICSSR IMPRESS.	27/09/2019	27/09/2019	27/09/2019	200
2019	4) The IQAC organized a workshop on E-Content	23/09/2019	23/09/2019	23/09/2019	30

CRITERION VII – INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 – Institutional Values and Social Responsibilities

7.1.1 – Gender Equity (Number of gender equity promotion programmes organized by the institution during the year)

Title of the programme	Period from	Period To	Number of Participants	
			Female	Male
1)	01/08/2019	01/10/2019	40	10

Certificate Course in Gender Equity				
2) Orientation Programme for girl students	23/08/2019	23/08/2019	250	0
3) One Day workshop on Indian Penal Code information.	23/08/2019	23/08/2019	120	80
4) Rally and Street Play based on Gender Equity	17/10/2019	17/10/2019	90	80
5) One Day Workshop on awareness about Cyber Crime	07/12/2019	07/12/2019	90	75
6) Night Walk through city under the activity of 'Ratragini Rally'.	22/12/2019	22/12/2019	80	40
7) One Day workshop on awareness about Health and Hygiene for girls.	02/01/2020	02/01/2020	200	0
8) Poster Presentation Based on theme of Gender Equity	14/01/2020	14/01/2020	50	50
9) One day Workshop on Awareness about Laws regarding women's safety.	27/01/2020	27/01/2020	100	70
10) Presentation of One Act Play based on the theme of Gender Equity.	15/02/2020	15/02/2020	5	5

7.1.2 – Environmental Consciousness and Sustainability/Alternate Energy initiatives such as:

Percentage of power requirement of the University met by the renewable energy sources

The college has worked in the following way for environmental consciousness and sustainability. Replacing Fluorescent Tube Lights (FTL) with LED Tube Lights

The 40W FTLs can be replaced with the LED tube lights 16 W. Calculations are done for the 8 hours working: Power consumption by one FTL 40 W/ Tube Light Equivalent LED tube light 16 W/ Tube Light Savings in power 24 W/ Tube Light Yearly operating hours 8 h/day x 365 2920h/year/ Tube Light Yearly savings 2920 x 24 W 70 kWh/year/Tube Light Average Cost of electricity Rs. 9/ kWh Saving 70 kWh x 9 Rs. 630/ year/ tube light Approximate investment on single LED Tube lights Rs.630 Number of Tube Lights to be replaced 15 Total Yearly Saving 15 x 630 Rs. 9450/year Total Investment 15 x Rs. 300 Rs.4500 Energy Conservation ? Use of LED lights ? In non reading non working areas reduced lighting is used ? Lights switched off immediately when not required ? Computers, printers which are not in use are closed down and disconnected at the end of the day ? Electronic equipments are shut off during non working hours. ? Unit settings for all ACs are at 22-24. C ? Faculty have been deputed to check the wastage of electrical energy by ensuring that fans and lights should not run in unoccupied classrooms and laboratories. ? All classrooms and labs to have display messages regarding optimum use of electrical appliances in the room like lights, fans, computers, projectors. ? All projectors to be kept OFF or in idle mode if there will be no presentation slides. Solar panel light in campus: Number -05 Power -12W Each light run 10hr per day 12W x 10hr 120W/per day 120W x 30 3600W per month 3600W x 12 43.2kWh per year So, as number of solar light is 5 43.2 x 5 216 kW (Unit) Besides the college campus is lush green with about 1000 trees of various types. The college has created a nursery of 10000 plants out of which some are distributed amongst the government offices and private institutions and some are planted in the college campus. Botanical garden is also developed with medicinal plants.

7.1.3 – Differently abled (Divyangjan) friendliness

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

1) This year also the college is in receipt of the first prize of Swachh Bharat Abhiyan at the university level . 2) The college has developed nursery in the college campus and freely distributed the plants to the government offices and schools and colleges in the town. The college planted more trees in the campus this year. 3) The unhealthy trees are rejuvenated by using chemicals. 4) Micronutrients were supplied after every two months under the guidance of expertise. 5) Trees are adopted by the students, hence they are watered regularly and due care is also taken time to time. 6) Plastic things are prohibited in the campus. The campus is made plastic free. 7) The waste material is disposed in the ditch prepared separately for it. 8) Green audit is prepared at the end of every academic year. 9) LED bulbs and tube lights are installed for energy conservation. 10) Orientation and awareness programmes are

organized on environment conservation for the awareness of the students and the staff.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice - I 1) Value Education Knowledge of value always plays a crucial role in once life as it helps in moulding, developing and shaping a person's personality and his future. It is the process by which people give moral value to each other. Value education is teaching and learning about the ideals that a society thinks is important. This practice is adopted by us not only as a part of education and is not just restricted to its educational purpose only. The aim of this practice is that students should not only understand the values, but also reflect them in their attitudes and behaviour. The goal is that students in future contribute to society through good citizenship and ethics. Moral education and character education, ethics and philosophy based coaching have attempted to do similar things. Such education should play an important role in making a student socially responsible, culturally rich, democratic and cohesive. Imbibing this value through education will stimulate a person's physical, mental, emotional well-being. This practice of Value education will certainly help in the utmost development of a student's personality, attitudes, habit, growth, etc. 2) Goals • To inculcate the qualities like sensitivity, punctuality, neatness, scientific attitude in the students. • To let them know the dignity of labour, sportsmanship, equality, and brotherhood. • To imbibe the qualities of patriotism, secularism, cooperation, tolerance in the students. • To teach the students respect for elder, non-violence, national integrity and universal brotherhood. • To arouse love about the national leaders, and the people who sacrificed their lives for the sake of country. 3) Context We are living in a world of Paradox. On the one hand science and technology are advancing very fast, While on the other hand most society are facing problems of alcohol drug abuse, mental illness, stress crime etc. Therefore value education should be introduced at early stage and mould them. Our Constitution of India in its preamble has solemnly resolved to constitute India into a Sovereign Socialist Secular Democratic Republic and secure to all its citizens - Justice, Liberty, Equality and Fraternity. Values are determinants of human behavior. They play a vital role in the lives of every individual. We have decide that the Value Education should conform to the truth. All values are dominated by the individual first and then by the society. Values are determinants of human behavior. They play a vital role in the lives of every individual. They are enduring and facilitate standards that guide that conduct of human beings. Vallabhbai Patel, the great architect of modern India, once observed "Education without values is of no use". A student from his school to higher education finds many illegal things around him. So at this juncture the education plays a very vital role in shaping the character of students morally strong. According to Gandhiji, real education did not consist in packing the brain with information, facts and figures or in passing examinations by reading the prescribed number of books, but by developing the right character. Taking into consideration the need of value education we have deliberately given a specific time for value education in our programme calendar. This is not given separately to the students, but the programmes related with the value education are very frequently organized in the college to let them understand the importance of values in life. They are deliberately intimated the factors associated with the value education. 4) The Practice : Since education is a powerful instrument of social change and human progress, it is also a powerful tool to cultivate values in an individual. Therefore the colleges have greater responsibility to impart learning and cultivation of values through education. For inculcating values we have the following strategy to be adopted throughout the year. • We design a special orientation program

for teachers and students in the beginning of the year. • We have started a Value based foundation course. • We prefer to publish literature based on values either in our college magazine or wall magazine. • We have developed a code of conduct for teachers, nonteaching staff and students. • Inculcation of philosophical, scientific, and social views towards life among students by organizing various programmes in the college. • Our teachers pass values to the students both consciously and unconsciously through their conduct in and out of class rooms. • We give practice to the students for making decisions in complicated situations about issues involving values. • They are helped in developing the ability to make proper choices in such situations through value education. Therefore we consciously plan value education program to establish a formal learning. • Our teachers serve as a role model to students in our college by their own behaviour because they play a major role in inculcating their ethical behaviour. • At the same time, the teacher mentors warn the students against cheating, lying, stealing, and ill consideration for others etc while talking with the students. We try to inculcate the values in the students both the formal and informal ways because we think that they play a major role in developing pro-social behaviour in children. We try to teach them accountability through allotting them various important roles in various college activities. They are encouraged to be accountable for their own actions and they are taught to respect and treat others kindly. The students are taught basic morals and values in colleges informally in and outside the classrooms. They are taught these values by emphasizing the idea through many activities, like competitions on stories and poems and one act play, etc. which encourage them to engage in more helping behaviours. The teachers appreciate the students for developing pro-social behaviour, especially for any specific action they have done to help others. 5) Evidence of Success: This practice has helped a lot to us in keeping the college atmosphere conducive and amicable. The teachers- students relations are quite healthy and holistic. Students are found having the sense of gratitude and obedience. There is not a single incident of either eve teasing or anti-ragging in our campus. Students participate in every activity whether social or academic irrespective of their caste and creed. We never have the incidents of conflicts at higher level in our campus. No case is yet registered to ICC regarding the sexual harassment. Students have become experts in event managements. They are found becoming good orators especially on the occasions of elocution competitions organized on the occasion of birth and death anniversary of the great leaders in India. We feel proud to state that students pay full respect to the teachers and have never insulted the teachers or the nonteaching staff in the campus. Their behaviour with the supporting staff in the college is praiseworthy. No communal comments or debates are found among the students. On the contrary we have many religious festivals in our town where we provide our students as volunteers to control the pilgrims. In these volunteers there are the students of all communities. We can rightly say that we have been playing an important role in developing the personality of the students. Hence we have made it our best practice for the current session so that we can work more seriously on it. Best Practice 2 (2019-2020) Best Practice - II 1) Training and Placement Cell The college is not only the center of imparting knowledge and making them graduate in their respective faculties, but it is also the place where the students must feel secure about their future and about their career. They should have positive feelings about their education that they are being given by the college with respect to their placement in future. It is quite true that no institute can give hundred percent placement to the students seeking education in it, but it is the duty of the institute to make available for the students various career opportunities by contacting the various government or private agencies, the corporate sectors, industrial hub, various banks and small scale industries. It is also the duty of the higher educational institutes to let the students feel secure about the faculties they have chosen and to make them able for the

various jobs that are being offered by the different sectors in the society. Besides academic knowledge they are given the skills as well as trainings that may help them to acquire the job offered to them by various agencies. This is the college which runs the Arts, Commerce and Science faculties along with the B.Voc. Programme. The students enrolled for these courses and programmes are in a large number from rural area. It is being found that they don't aspire more however the institute wishes to provide them. In other words, it is our observation since last many years that the students in this area don't aspire for higher achievements rather they only search for the job like Police, Army, Talathi, Gramsevak, and Banking. We can't completely blame to their psychology, after observing their financial and family

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

This year also the institution stressed more upon the research activities along with the teaching and learning activities of the teachers and the students. The vision of the institution is to imbibe the culture of research among the teachers and students in this campus. The institution has given much priority to the research activity since the previous accreditation. The research area is also decided as per the need of this area and need of the society. The committee which is formed for research activities has been asked to undertake various activities during the year under the 'Research and Motivation Cell'. As a result from the very beginning of the session the cell started to undertake various activities. At the outset this Committee organized a workshop on 'Property Rights' in which many teachers and research students participated and benefitted of this workshop. Initially the college has been sanctioned the State Level Seminar on 'Women Empowerment' by the 'State Commission of Women' in the state of Maharashtra. It was quite successful seminar as there were many fruitful deliberations in this seminar. A report on the same was prepared and sent to the commission which was highly appreciated by the commission. Thereafter the same commission has also sanctioned two Research Projects to our faculty and the teachers have successfully completed the projects and submitted the same to the commission. Seven teachers have published their books during this year. Three teachers have pursued their Ph.D. during this year. The teachers have published their research papers in impact factor and UGC listed journals. Four research papers are published this year. The librarian of the college has also been sanctioned the 'Research Project' worth Rs. 500000/- by the ISSR and IMPRESS. Three more teachers have also applied for these projects. Besides for the encouragement of the students the committee organized the state level competitions on Poster Presentation and Power Point Presentation for the students under each department. About one hundred students from our college participated in this competitions organized twice in the year. Moreover three teachers have been awarded supervisorship of SGBAU Amravati in Political Science, Commerce and Library departments. As a result all these departments have been sanctioned the 'Research Centre' by the SGBAU Amravati. Presently there are five research centre functioning in the college through which two students have been awarded Ph.D. and one student has submitted her thesis to the university. Presently the research centre of Marathi subject conducted a Pre Ph.D. coursework for the students admitted to this research centre. Pertaining to this course, activities with respect to research work have also been organized for the students.
