National Webinar on Recent Trends in Rough Set, Fuzzy Set Theory & Material Science

proposal ?

1. Research proposal based on the current status
2. Proposal it self indicate novelty
3. Proposal work requirement compared to reported data
4. Novelty is main quality of proposal
5. Proposal title should be self explanatory
6. Proposal should indicate the possible work in duration of project
7. Requirement of man power
8. Budget of proposal with explanation
9. Outcome of project

Advantages of project for scientific use and society

Opportunities for BSc students

- If you are interested in Energy, Motion, Space and all that falls under this universe and if you are inspired from Newton, Bohr, Einstein, Faraday laws then, Physics is the best career option for you.
- Many candidates are seeking for their career after completing BSc in Physics. The one question always arises in their mind: - **What should we choose after BSc Physics: further study or job?**
- After completing your BSc Course in Physics, there are many opportunities open for you, such as research analyst, a teacher, lab assistant etc.
- But, if you go with further study such as MSc degree, MSc-PhD dual degree, Joint MSc-PhD courses then you can become a scientist and apply for **NET Exam** also.

Entrance Exams for MSc & PhD Physics Course

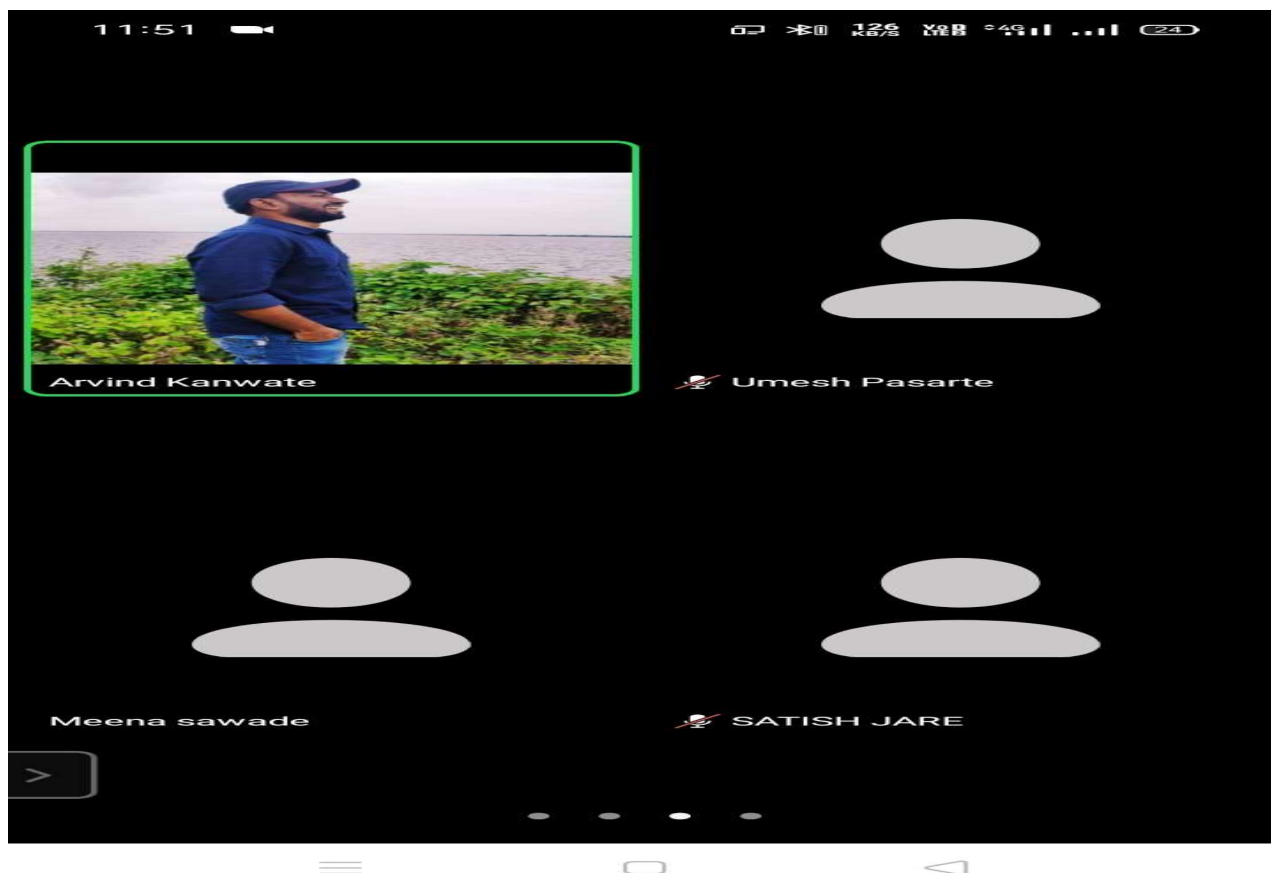

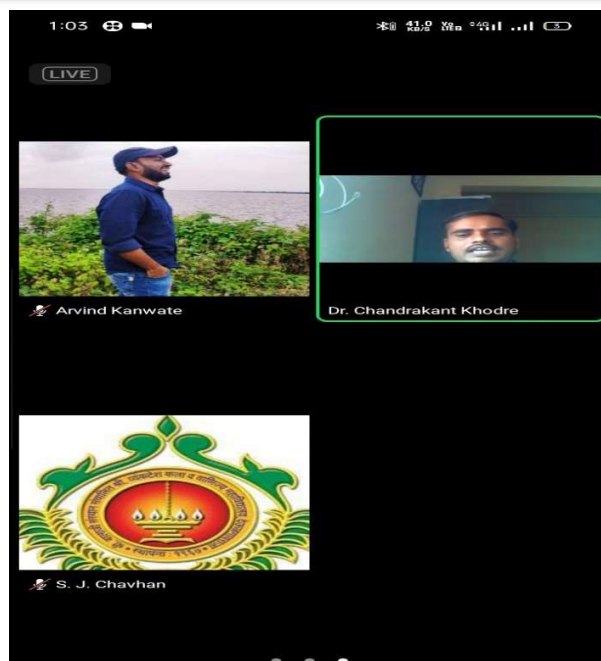

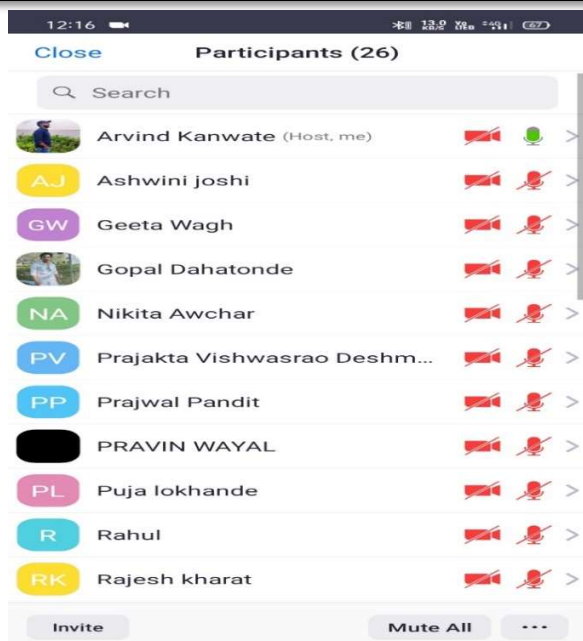

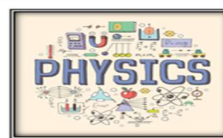

- If you have a bachelor's degree in physics and want to go with postgraduation courses such as a master's degree or PhD degree, then you can apply for many Entrance Exams. Most of the BSc students apply for IIT JAM Exam to complete their MSc Physics through IITs, NITs etc.
- List of MSc, PhD Entrance Exams through which you can get the admission in IITs, NITs and many other top universities of India.

Exam Name	Full Form	Courses Offered
IIT JAM	Joint Admission Test for MSc	MSc Physics
		Joint MSc-PhD in Physics
		MSc-PhD Dual Degree in Physics
		MSc Applied Geophysics
		MSc Astronomy
NEST	National Entrance Screening Test	Joint MSc-PhD in Atmosphere and Ocean Sciences
		Joint MSc-PhD in Geophysics
JEST	Joint Entrance Screening Test	MSc-PhD Dual Degree in Environmental Science and Engineering
		MSc (Tech) in Applied Geophysics
OUAT	Orissa University of Agriculture and Technology	Integrated MSc programme in Basic Sciences (Physics, Chemistry, Biology, and Mathematics)
		PhD Programme in Physics
TIFR GS	Tata Institute of Fundamental Research	Integrated MSc-PhD Programme
		MSc Programme in Physics
IISER	Indian Institute of Science Education and Research	MSc Programme in Physics
		PhD Programme in Physics
		Integrated BS-MS in Physics

GLOBAL CLEAN ENVIRONMENT MOVEMENT

**International Webinar on
Role of Youth in Attaining
Atmanirbhar Bharat in Energy**

Shri Vyankatesh Arts, Commerce and Science College, Deulgaon Raja (MS) is participating in Global Clean Environment Movement on the occasion of Mahatma Gandhi Birth Anniversary with Energy Swaraj Foundation, Mumbai, which is organizing a webinar on "Role of Youth in Attaining Atmanirbhar Bharat in Energy".

The webinar will be conducted on 2nd October 2020 from 10 am to 1 pm.

The webinar will cover various aspects of

1. World Energy Scenario,
2. Climate Change and Youth,
3. Atmanirbhar Bharat in Energy,
4. A Prospects of a career in Energy.

Registration Fee (for E Certificate):- Rs. 40/-; For both _E-Certificate +Hardcopy of Certificate Rs. 115/-
 Last Date of Registration: - 28th Sept. 2020

Read the instructions about competition and prizes after clicking the link and register your name.

Registration Link:-

https://energyswaraj.org/ssa_2020.php?organization_id=organization_602#registration_from_individual

Do not miss this three-hour webinar that is open to all age-groups

Forwarded

Energy Swaraj - Energy by Locals for Locals
energyswaraj.org

Dear Learners,

A very Warm Greetings from **All India Council for Technical Education & Shri Vyankatesh Art's Commerce and Science College Deulgaon Raja (India), ..!!!**

The world today is facing an unprecedented crisis in the form of COVID-19, but it is necessary not to forget that a bigger crisis in terms of climate change is looming over the world. The primary cause for climate change has been attributed to the Energy Paradox that the world faces today, wherein more energy is required to achieve and maintain high economic growth rates, while rampant use of energy is causing climate change.

There is a FREE Online Multidisciplinary course under the aegis of Energy Swaraj Foundation to "Design a Solar System for Homes".

5:37 PM

Svc Shimbare Sir

"Design a Solar System for Homes".

Any student above the age of 14 years can take up this course. The course does not require much technical background and can be completed in less than 3 hours. AICTE looks forward to your participation in making the students across the globe Energy Literate.

Please note that there are no manpower or cost requirements for the course.

This course gives a unique opportunity to become Energy Literate irrespective of your educational background and experience.

Please see the below details for sharing with the students of the organization:

Link for Registration:

https://energyswaraj.org/take-quiz.php?organization_id=organization_1397

5:37 PM

Svc Shimbare Sir

In order to successfully complete the course, the students need to carefully watch 15 videos that are available both in English and Hindi. After watching the videos, the students are expected to take a quiz. Students, who will successfully complete the course, will get the certificates. This certificate may be useful for students for their future prospects.

Instructions to be followed:

Any student above the age of 14 years can take up this course. Participants Institute Name is Required.

There are 15 videos in the course. Students need to watch each and every video to successfully complete the course. Students must clear the quiz to get the certificate. There are in total 32 questions of 40 marks. To clear the quiz you need to score at least 25 marks to be eligible for the certificate. Only 2 Quiz attempts per participant will be allowed.

5:37 PM

Svc Shimbare Sir

Any student above the age of 14 years can take up this course. Participants Institute Name is Required.

There are 15 videos in the course. Students need to watch each and every video to successfully complete the course. Students must clear the quiz to get the certificate. There are in total 32 questions of 40 marks. To clear the quiz you need to score at least 25 marks to be eligible for the certificate. Only 2 Quiz attempts per participant will be allowed.

All can take this 3 Hours Course.

Thanking you,

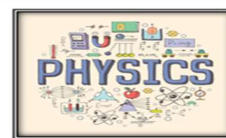

Regards,

Coordinator:
1) Prof. Arvind kanwate (Head, Dept. of Physics).
2) Prof. D.M.Shimbre (Head, Dept. of Zoology).
